

# 3M™ Peltor™ Tactical Pro Electronic Headsets

**PELTOR™**  
The Sound Solution

Smart Solutions  
Easy Communication

When clear ambient sound and voice recognition is required in your noisy environment, rely on the latest line of electronic headsets from the Peltor brand. The TacticalPro has been designed with a unique frequency response that amplifies signals, voices and warning sirens while at the same time instantaneously suppressing dangerous impulse noises. This headset is the perfect choice for a wide variety of applications including:

- Airport ground personnel
- Maintenance mechanics
- Hearing impaired workers
- Gun ranges
- Compatible with portable radios

Leading the Advancement of Hearing Conservation

Neckband

Hardhat mounted

Padded folding headband

Boom microphone model

FL50 radio PTT adaptor

Your radio

Heavy duty carrying bag available

3 band models available

Power saving feature. If volume buttons are not adjusted in a span of 2 hours the electronics will shut off.

Ergonomic 3 button touchpad configuration. Middle on/off, top and bottom are volume up/down.

Omni directional (stereo) cup microphones provide 360 degree external ambient listening capability. Electronics limit amplification to 82 dB.
