# The **CSVA** Voice Amplifier

The CSVAi is a portable voice amplifier that when attached to a throat mic or lightweight boom mic headset amplifies the user's voice. It allows users to speak at normal levels and be clearly understood while wearing facemasks, PAPR'S (Powered Air Purifying Respirators) and/or protective suits.

# CSVA VOICE AMPLIFIER

.../ It is ideal for use in a wide range of applications including those involving mass decontamination. First Responders, Doctors, Nurses and emergency personnel wearing any type of protective mask or hood. In Industry the CSVAi can be used to improve person to person communication while wearing protective suits

The CSVAi is Intrinsically safe approved for hazardous locations and incorporates multiple glands, seals and gaskets within the carbon filled polycarbonate housing so the unit can be washed,

decontaminated and withstand heavy use. Standard features include on/off/volume control knob, visual dual colour power/ low battery indicator LED, unique CON-SPACE accessory quick connect, molded in Lanyard attachment point, 360 degree swivel belt clip, and Captive battery housing thumbscrews. The CSVAi is powered by three standard 'AA' batteries and will operate for up to 48 hours. (Batteries and Neck Lanyard included)

## Primary Options

CSVA Boom Mic

CSVA Throatmic

\*All options connect to the CSVA via a "Quick Connect Cable" allowing for rapid attachment and detachment from the unit.

## Technical Specifications

Type of Product:	Voice Amplifier
Type of Microphone:	Interchangeable
Speaker Material:	Mylar
Speaker Frequency Response:	450 Hz to 9- kHz
Self-Powered:	Yes
Battery Type:	3x 1.5 V- AA cells
Battery Life Operator Standby:	40 / 200
Weight:	13.9 oz / 393g
Cable Pull Strength:	69 kg / 31 g
Colours:	Matte Black
Operating Temperature:	-20 C to 40 C
Output Sound Level Speech:	84 dB
Water Resistance:	Yes
Adjustable Mounting:	Yes
ROHS Compliance:	Yes
IP Compliance:	Yes, IP-57
EMC Compliance:	Yes
Warranty	18 Months
Part Number:	1921-03-000

## Product Info

- Large Speaker
- Volume Control
- Revolutionary Throat Mic Design
- Loud & Clear Voice Amplification
- Powered by 3 AA Batteries
- Low Battery Indicator
- Survives all weather conditions
- Use with any Make or Model of Facemask or Breathing apparatus
- Connects to most make/model radios
- Waterproof & Dust Tight
- 48 hours of Operating Time
